Tolani College of Commerce - B.Com - 5.58(CGPI)

Technical Qualification

- Operating System: Windows 10/11
- Web Technology: HTML, CSS, Bootstrap
- Languages: Python, C++
- Database: MySQL

Project

Project Name: Online Mock Test.

Software Used: HTML, CSS, Bootstrap, Javascript

Description: I have experience in developing an online test interface using HTML, CSS, and JavaScript. In one of my projects, I designed a web page that simulates an online test environment. This project demonstrates my proficiency in front-end web development and my ability to create interactive and user-friendly interfaces. It showcases my skills in HTML, CSS, and JavaScript, and the use of external libraries for styling and functionality.
